Blocking Vision

# The Goat Performance Drill

## Basic Level - all Factors

All Factors

Tension to Side

Tracking a fix object or moving

Moving Hands and Feet

Neural Perplexity - Math

A large, stylized number '4' in the background, rendered in a 3D effect with a light gray face and a dark red outline. It is positioned on the right side of the slide, partially behind the text.

# Key Factor and Updates For Team Setting

Math - Have athlete add 3 or subtract 3 from 100

Have Team Members Block Vision in circles

## Basic Level - all Factors

What this Drill Does

Core Training - Bridging/Planks

Reacting to various loads

Reaction To Moving Target /Tracking

Neural Perplexity - Thinking

# The Goat Performance Drill Advanced Level

Water Bag on Back

Neural Perplexity - Hands and Math

Tracking Moving Target

# Goat Drill Part 3 Benefits

- Brain Warm u for skill development
- Greatest Athletic Development Drill I have seen
- Coordination improvement
- Brain Drill for motor Skills
- Athletes Breaking Records and performance increases

# Goat Drill Part 3 other considerations

- Small to Large circle - Slow to fast
- Barefoot to Shoes - Shoes to Barefeet back to Shoes
- This a Brain Drill - Not Agility
- This is pre workout/speed training Drill
- Pre Game - Next Slide

A large, stylized, 3D-rendered logo in the background, consisting of the letters 'N' and 'F' in a light gray color with a dark red outline. The logo is positioned behind the text, with the 'N' on the left and the 'F' on the right.

## Part 3 Review and Updates

# Goat Drill Part 3 update

- Updated Of the Drill and Evolution with Large Group or Team Setting
- Advanced athlete
- New updates
- Short Review of Benefits
- List Variables - Coaches choice - magic combination

# Goat Drill 3 variables

- Tracking a fix object or moving
- Moving Hands and Feet
- Neural Perplexity - Hands and Math
- Math - Have athlete add 3 or subtract 3 from 100
- Have Team Members Block Vision in circles -Tension to Side -

# Goat Drill Part 4 Benefits

- Brain Warm up for skill development
- Greatest Athletic Development Drill I Have Seen
- Coordination improvement
- Brain Drill for motor Skills
- Athletes Breaking Records and performance increases

# Goat Drill part 4 Improved Variables

- Partner Chasing -
- Tracking a fix object or moving
- Moving Hands and Feet
- Neural Perplexity - Hands and Math
